The planning for the Orange Blossom Klassic Lamb and Goat Show is underway. This show, formally known as the **Lamb Slam** and **Kids R Us Klassic** has been merged together to make one spectacular show! Over 200 head of Market Lambs and 130 head of Market Goats will be competing for various prizes as well as Jackpots.

A Project of the Porterville Fair's Junior Fair Board, the Orange Blossom Klassic is scheduled for Sunday, February 24, 2008 at the Porterville Fairgrounds. The Junior Fair Board rely on a lot of public support for these projects. The reward for them is the accumulation of knowledge and skill that results directly from their participation in the planning and execution of these events. They also provide a venue for our youth and youth from across the state to gain experience in showmanship and raising project livestock.

In past years, you were gracious enough to contribute to the Lamb Slam or Kids R Us Klassic and we are asking for your continued support of this new show. Your generous donations help to keep the spirit of the fair industry and the raising and showing of livestock in the focus of our youth.

A member of the Orange Blossom Klassic Committee will be contacting you in the near future. If you have any questions or comments about the show, please feel free to contact either of the following people listed below. In the mean time, if you would like to proceed with your donation, a sponsorship form and return envelope has been provided for your convenience.

Sincerely,
